About Me

I am Tamar Meladze, 29 years old. I work as a Senior Reservations Agent at the Marriott International branch in Batumi, Georgia. I'm organized, diligent, and totally oriented on details. At the same time, full of positive and motivation. I am a person of action and despite the theoretical studies I am keen on making practical steps, and new challenges.

Recommendation # 1

RECOMMENDATIONS

Recommendation # 2

Tamar Meladze enrolled in the Batumi State Maritime Academy in 2014 and the Management Faculty undergraduate educational program "Management- Port Management." Who graduated in 2018. During her studies, she showed a high interest in all subjects. Characterized by deep thinking, analytical skills, and easily mastered theoretical material, reveals presentation and practical use habits. Tamar Meladze honestly performed for teachers and administration leadership tasks, distinguished by high responsibility. because of allthat, she deserves a good reputation among the academy teachers. The Faculty of Business and Management characterizes Tamar Meladze as energetic. A sociable, hardworking, and exemplary young person. The recommendation is given for submission as needed.

- Batumi State Maritime Academy Assistant, Academic Doctor of Economics / M.Sc. Gabaidze / Tel: 577 22 04 87

The recommendation is given to Tamar Meladze (P / N 61001067812) to submit as needed. I taught Tamar the courses: "Management I- II" and "Marketing Basics" at Batumi State Maritime Academy. Tamar is an organized, energetic, hardworking, trustworthy, and humble person. Performs duties in good faith and with high responsibility duties. Distinguished by kindness and sociability, and always expresses willingness to help friends. Tamar positively perceives the introduction of innovations. She has the ability to work in a group. She has a good relationship distinguishes between professors and students, and a good relationship among general professors; she always participates in university events. Tamar is a winner of the 2017 International Student and Young Scientists Conference.
